Course Changes for New S5 and S6

We are now a week into the new timetable and you should have settled into your courses. We feel it is inappropriate to disrupt classes until end of term with continual changes as there are likely to be changes in August due to exam results.

For this reason from Tuesday 13th June no further course changes will be made except in very exceptional circumstances. Any changes **already in process** with the guidance team will still happen.

Street Café is on this Friday 16th June from 8:00-10:00pm at the Westhill Shopping Centre. There will be free hot chocolate available and all young people are welcome.
