

Westhill Academy

24th January 2018

Bulletin No. 086

Staff & Pupil Information

Lost Property – Morning Break – 10.30-10.45

As of today we will be displaying all lost property that we have collected over the last few months. If you have lost anything in the past please come down to the Dining Hall to see if we have it. Anything not claimed will be given to Charity.

[School Office]

Sewing/Craft Group

I am thinking of starting up a sewing/craft group on a Tuesday lunchtime – after Feb half term. Numbers will be limited to 15 maximum to sign up. If you are interested come and see me in G6/M3 before the end of the week. Thanks

[Miss Eddington, H.E. Dept]

Learning/Study Techniques

Do you want to learn/improve your learning/study techniques? The Science Department have been trialling a series of techniques which are based on retrieving information from your short-term and long-term memory to find out what you do actually know/understand. These techniques, with an example, are now available on the website at:

<http://westhillacademy.aberdeenshire.sch.uk/supporting-learning-at-home/> .

The techniques are also displayed (a different one each month) on the science noticeboard outside the biology classes. See Miss Docherty (G15) if you want more information.

[Miss Docherty]

Women in Engineering Conference 2018

Information about an opportunity for girls aged 15-17 to take part in the above conference, hosted at St Margaret's School this summer, is available in the Guidance Department for anyone who is interested.

[Miss Bradford]
