Harry Potter Book Night

Harry Potter Book Night is tomorrow Thursday 1st February.

A couple of quotes...

‘Harry cast about for a happy memory. Certainly, nothing that had happened to him at the Dursleys’ was going to do. Finally, he settled on the moment when he had first ridden a broomstick.’ ‘Harry Potter and the Prisoner of Azkaban’ by J.K. Rowling

‘It’s very character – building stuff, learning to peel sprouts without magic, makes you appreciate how difficult it is for Muggles and Squibs’. Fred Weasley speaking in “Harry Potter and the Half-Blood Prince” by J. K. Rowling

A couple of facts...

Harry Potter and the Philosopher’s Stone contains 77,869 words. There are 1,100,086 words in the entire Harry Potter series.

J. K. Rowling said that ‘The Mirror of Erised’ is her favourite chapter in the first book, and one of her favourites from the entire series.
