Staff & Pupil Information

S1-S3 Pupils

All S1-3 pupils are reminded that we have prelims ongoing for S4-6 pupils until Wed 5th Feb. This is a reminder to be extremely quiet in stairwells and corridors, especially where there are 'Quiet examination in progress' signs. Please remember to walk gently up the stairs, as some pupils are still running and making noise, which could disturb pupils in exams. Your registration tutor will read out the classes who are displaced to another room during the exam period and you should take note of this, to avoid unnecessarily coming to areas where there are exams in progress. There are displacement posters all over the school, should you miss this information at registration, and they should be checked each morning before your lessons.

Thanks for your support with this.

Any pupil who had to get their certificate amended, please see either Mrs Pirie-Smith or Mrs Fraser as the new certificates are now in the Music Department

PE classes

As there are a number of exams going on in the Games Hall & Gym it is very important you wait quietly for PE in the Drama corridor. If that corridor is blocked off the notices will advise you to wait in the covered area outside drama until your teacher collects you. Again, you must be very quiet when in the changing rooms.

Thank you
