Bulletin No. 302

Staff & Pupil Information

S5/S6 Pupils

Bonjour! ¡Hola! Hallo!

If there is anyone considering crashing Nat 5 or Higher French, German or Spanish next year, please speak to a Modern Languages Teacher.

We have created a short course for those who have never done a language before or are coming back to languages after a break, to support you in covering some of the basics before starting your language studies next year.

Any questions? Come and ask us.

[J McCormick - Modern Languages Department]

Library

As next Thursday is World Book Day there will be a 'book quote' in the bulletin each day this week. The quotes are from well-known authors - hope they will inspire you to pick up a book and read.

Book Quote for today

'So Matilda's strong young mind continued to grow, nurtured by the voices of all authors who had sent their books out into the world like ships on the sea. These books gave Matilda a hopeful and comforting message: you are not alone'.

From 'Matilda' by Roald Dahl
