Staff & Pupil Information

S1-S6, Donations for Ukraine

A little extra information regarding your donations. It turns out that a fair amount will be going to one of many Ukrainian orphanages that have been asking for help, so your donations really will be making a huge difference to the lives of children your age. If you are interested, you could take the chance to write to one of five Ukrainian girls from the orphanage; Lyuba 15 yo, Eva 14 yo, Yana 13 yo, Nadiya 13yo or Diana 13 yo.

Donations will be collected this morning. If you have any donations there are three recycling bins in reception where you can leave your donations, or you can drop them off with Mr Couper (G20), Mr Lechthaler (T4) or Mr White (T2). Thank you again!

[Mr Couper, Mr Lechthaler & Mr White]
